

Refund/Cancellation/Postponement Policy for Registrations

Once paid, Registration fees paid to AK Unid Education are non-refundable. However, if a registrant wishes to defer their intake or change their destination, the registration can be transferred to another intake or destination. Registrants must provide a written or electronic (email) notice at least thirty (30) days prior to the requested refund, transfer, or deferment. While we reserve the right to decline any refund request at our sole discretion, we may request reasons for such requests to better understand and process them.

Registration fees paid for deferred intakes or destinations will remain applicable to the rescheduled intake or destination. Refunds, where applicable, are limited to the registration fees already paid, and AK Unid Education does not bear responsibility for any other payments, penalties, or additional costs incurred by the registrant as a result of cancellations or changes. Processing of approved refunds or credit changes will require up to thirty (30) days to complete.
